

Are you registered with a GP Surgery in Hillingdon?

Have you had a doctor appointment in the last 4 months?

The College of Engineering, Design and Physical Sciences of Brunel University is working closely with the Healthwatch Hillingdon to help the healthcare sector redesigning the way services are provided.

What we care about the most is patients' experience and we would like to hear directly from YOU what needs to improve!

What are we looking for?

- Male and Female participants, 21-65 years old
- GP patients who have had a patient – doctor consultation in the past 4 months

The Focus Group meeting take no more than 1.5 hours

Location will be communicated 4 days before the meeting, according to participants needs.

Free snacks and beverages will be available for the participants (please contact the organiser if you have any allergies).

Each participants will receive a little present at the end of the Focus Group to show how important your participation is for us.
